

Gonzales May 22^d 1858.

Dear Edward Clark,

Dear Sir,

Your favor of the 20th inst, in the case of John G. Hodge, relative to the depositions to be taken, and containing five dollars, returned to me, is rec'd.

I am sorry I misinformed you as to the place of residence of John G. Hodge. I happened to meet with him only two days ago; and he told me he was living in Blanco County. He stated that he would be at Austin in a few days, and promised to call at your Office so as to be examined as a witness touching what he knows relative to the matter.

The witness in Fayette, I fear may not be living - I wrote to her last winter, and since, but have received no answer - I will write to the Clerk of the County Court and enquire about her. I have two original letters from Mrs. Miles, on the subject, which, I presume were written by her own hand - I think she was a lady of respectable standing, and in the event that she is dead, perhaps her letters may assist you in forming your judgment of the merits of the claim. If you consider them of any value, please file them with the papers.

Very Respectfully

Your Obedt Servt
Wm. B. Jones
